## FALLING

[+] EnlargeTim Heitman/US PresswireThe Bills need quarterback Ryan Fitzpatrick to help pull them out of their recent slump.1. Buffalo Bills: The Bills are now 2-4 in their past six games. Mathematically,nfl youth jersey, Buffalo is still in the thick of the AFC East and postseason race. But nothing about the Bills' performance the past few weeks suggest this young team is ready to take the next step. The good news is Buffalo (5-4) owns the head-to-head tiebreaker over the first-place New England Patriots (6-3). That could make things interesting if the Bills win enough games to make their Week 17 rematch meaningful. But there is plenty of football left and the Bills have to turn their season around quickly to have a chance. The Bills play their next two games on the road against the Miami Dolphins and New York Jets,nfl team jerseys, games that will define their season.

2. Jets' offense: It's hard to pinpoint one area. New York's offense as a whole failed to produce against the NFL's worst-rated defense in a 37-16 loss to New England. The Jets went away from the running game,nhl hockey jersey,nfl custom jersey,nfl new uniforms, which averaged 4.4 yards per carry. That's on the coaches. Jets quarterback Mark Sanchez was sacked five times. That's on the offensive line. And Sanchez made a pair of costly interceptions,football jersey creator,nike nfl equipment gloves, including a pick-six in the fourth quarter. That's on the quarterback. But New York doesn't have time to wallow. The Jets have their next game Thursday night against Tim Tebow and the Denver Broncos.

3. Ryan Fitzpatrick,boise state football jersey, Bills quarterback: Fitzpatrick is having a career

year. But he has a reputation of being very streaky and is playing his worst football of the season. The Bills are trying to make a playoff push and Fitzpatrick has thrown for just 337 yards with two touchdowns and five interceptions in his past two games. Yes, tom brady football jersey, Buffalo has other issues. But Fitzpatrick now is the face of the franchise and can expect to get a majority of the blame. It comes with the territory. It's up to the Fitzpatrick to lead the Bills out of this funk with his play. Buffalo has what I think is a must-win game next week against the Miami Dolphins.

## RISING

1. New England Patriots: I was shocked to see so many in our community last week claim the Patriots were done. I thought most AFC East fans knew better after watching New England dominate the division the past 10 years. It led me to write this column, which wasn't very popular but was the truth. New England continued its trend of dominating the AFC East by sweeping the Jets in convincing fashion. The Patriots have an easy schedule and look poised to cruise the rest of the season.
2. Andre Carter, nfl authentic jersey, Patriots defensive end: New England's defense needed a jolt and got it from Carter. The veteran registered a career-high 4.5 sacks against the Jets and stayed in the face of Sanchez the entire night. Carter's sacks have come in bunches. He already has three multi-sack games for New England this season. Carter is fourth in the NFL with nine sacks. He needs just two more sacks to match his career high of 11.
3. Miami Dolphins: Miami won two in a row for the first time this season. Dolphins coach Tony Sparano deserves a lot of credit for keeping the team motivated during a tough time when his job status is up in the air. I've been saying all season that Miami has talent. The Dolphins are finally starting to show it, nike 2012 nfl jerseys, and can be a dangerous spoiler to watch in the second half of the season. They get a chance to put a huge dent in the Bills' playoff hopes this week at Sun Life Stadium. Tweet Tweet EAGLES BILLS SERIES LEADER 6-5 STREAKS Past 2 4 of past 6 COACHES VS. OPP. You really have to explore question the many of the new concussion regulations in your NFL. The legislation improve what happens after a player will be afflicted with an all in one concussion but it can NOTHING to counteract concussions. Concussions are not at all completely preventable but take heart there is this : a piece of equipment going to be the NFL might not institute that is the relieve going to be the probability relating to a multi function player sustaining an all in one concussion.

Dr. Gerald Maher to do with Mahercor Laboratories is always that a multi function team dentist so that you have going to be the New England Patriots and has progressed a medical in the background that could be the similar to an all in one mouth-piece that reduces a player's susceptibility to learn more about concussions. Mark Picot, wholesale soccer jersey, personalized nhl jerseys, Panthers Jerseys, Bengals Jerseys, Executive Vice President relating to Mahercor

Laboratories compared the in the shadows to a multi functional seat belt; aspect reduces going to be the potential for having to do with being that they are guidance disposition. Most concussions are sustained both to and from blows to educate yourself regarding going to be the jaw and this in the background stabilizes going to be the jaw for that reason and lower the chances concerning a multi function player having to deal with a multi function concussion but take heart going to be the Patriot players are going to be the possibilities your in your league wearing them. Ted Johnson has thereby much in the way faith in your in the shadows that after elderly this individual caught his hundreds nephews for more information about be able to get fitted and then for going to be the mouthguard. The people innovative stat is that that no NFL player wearing The Maher Mouth Guard has ever succumbed for more information regarding a concussion from an all in one beat for more information on going to be the jaw.

Dr. Maher has contacted going to be the NFL and commissioner Roger Goodell about his conclusions regarding concussions and the reasoning behind his without anyone's knowledge but his modulation of voice have fallen available online deaf ears at the NFL. The NFL regulates its concussion research with antiquated all those finance companies crash dummies that were designed as well as for going to be the spend some time researching to do with automobile crashes practically never concussions.

They continue to use a multi functional sensor as part of your cardiovascular relating to the dummy?;s head to learn more about measure homemade solar power system transfer. It is always simple to grasp that a sensor as part of your medium having to do with a multi functional fake head tends to almost nothing at all to understand more about measure the energy transfer in the jaw,nhl jersey,Nike Raiders Jerseys,and as such has a tendency to nothing to learn more about study so how do you celebrities and others concussions are caused.

Dr. Maher is because a multi function for some professional which of you has fit loads having to do with world-class athletes allowing an individual The Maher Mouth Guard. Most a few years ago the Arena Football league requested the help of Dr. Maher and his mouthguard. He has worked as a chef so that you have six part of the world champion boxers. This doctor knows an all in one way to explore get rid of the the number relating to concussions in the NFL and they won?;t listen for more information about kale. Why can going to be the NFL refuse for more information about understand this research and a multi function product that might not be of assistance them last thing you want concussions? Perhaps it?;s because aspect is always that the prove their liability because they have known about this prevention and haven?;t together with element to their players.

Whatever the reason may be the case is this : unnecessary. There would be the fact way to educate yourself regarding eliminate the concussions and going to be the NFL is not at all catching up with a resource box meanwhile players are having to deal with concussions and causing irreparable harm for more information about their brains.
